

Soans Christian Academy

SPRING 2020

Head Start and Pre-K Counts

Hello Head Start and Pre-K Counts Families,

We miss you greatly. I know that we are all navigating these uncertain times, and while this seems like the new “normal” we will all be able to survive this pandemic and become stronger for it!

We are all working hard to continue to communicate with all of our families and children. Please continue to check you emails daily.

The teachers are sending out daily communication in many different forms to engage the children while at home.

We know that it is not the same, but with these activities your child can still be engaged educational while at home and away from school.

If you have any questions or specific needs please feel free to contact your teachers or Kristen.

Kristen can be reached at the center’s email address-
soanschristianacademy7912@gmail.com

Thank you all for being so involved in your child’s education and continuing to work with us virtually!!

~Soans Christian Academy~

One Fun thing to do at Home: Go on a Family Walk!

Great Websites to Use while learning from HOME

Toddlers

Pink & Yellow

Hello Pink and Yellow Rooms,

We miss you greatly!

I know that we are all navigating these uncertain times, and while this seems like the new “normal” we will all be able to survive this pandemic and become stronger for it!

Toddlers learn best with hands-on learning. This can sometimes be difficult if you are still managing to work from home, virtual learn with siblings, or simply do not like a mess!

We will continue to send home videos and communication to help with fun activities to help the children learn from home.

If you need anything please feel free to contact the teachers or director. Kristen can be reached at the center's email address- soanschrianiacademy7912@gmail.com

Here are a few at home Toddler Learning Activities~

Aftercare

Students now are aware that they will not be returning to their Primary School for the rest of the Academic Year. This is hard for some students to understand. It is very important to continue to help your child with their virtual learning and help them understand these different times we are all trying to navigate. If you need any help please reach out to the afterschool teachers or the center @ soanschrianiacademy7912@gmail.com.

We are here to help in any way we can! Here is one link for older school age children to help them while they are home.
